On this campus the student experiences many phases of life—social, cultural, recreational, academic, religious.

To us, the students, this is a way of life. In this, the 1956 BUCCANEER, we proudly present to you the East Tennessee State College Way of Life.

Parking looks simple enough . . . but ask any commuter

Commuters •

Yes, you can always ride the bus . . .

Oh, no, . . . not another parking ticket

Since State College is strategically located within a 25 mile radius of Bristol, Kingsport, and Elizabethton, it is natural that it should have a large number of commuters; in fact, more than 2,000 students commute daily from

"It must be here somewhere . . ."

the surrounding area. The students are familiar with the problems of parking, arranging schedules, and getting to school on cold winter mornings in time for the 8 o'clock class.

Nucleus of school spirit . . .

State vs. King College . . . State won, 10 to 9

More than ordinary success characterized the State Buccaneers' 1955-56 major inter-collegiate athletic activities.

Coach Star Wood's football Bucs registered five wins, against three losses and a single tie, over tough regular season opposition and then concluded activities with a convincing Burley Bowl triumph over Appalachian State. Among teams banished by the Bucs were vaunted Tennessee Tech of the powerful Ohio Valley Conference and highly regarded Eastern Carolina State.

Coach Madison Brooks' basketball Bucs amassed one of their best records in recent years, chalking up 20 victories out of 26 starts and emerging as champions in regular season and tournament Volunteer State Athletic Conference activities and finalists of District 27 of the National Association of Intercollegiate Athletics. Three Buc victories were achieved over VSAC tourney foes and one defeat was received at the hands of Gustavus Adolphus in the opening rounds of the NAIA finals at Kansas City.

Social Life

The Grill, dances, rush parties, picnics at the lakes, weekends at mountain lodges, teas, receptions, dinners, banquets—these all help make a fascinating social life at State.

Dance "cats"

and then there are Classes . . .

Work! Work! Work! Learn! Learn! When everything piles up and we have 48 hours work and just 24 hours in which to do it, these words may describe student life. There are class assignments to complete, chapters to be read, notebooks to be completed, words to be learned, themes to be written, plus last minute "cramming." And yet the assignments continue to pour in. The paper, the ink, the pencils utilized run into thousands of dollars. The effort, the thinking, and the learning cannot be measured.

But, and it's a big BUT, there is more to the description than this. Lulls do come (and if they don't come, the students make them!) so that they can enjoy the fun that is so much a part of college life.

Dedicated to

Genial and reserved off duty, keenly competitive and alert in action, Coach Brooks is an exemplary sports figure. Since he came to State eight years ago, Buc cage fortunes have soared to record heights, and a high level of court conduct has matched statistical successes. Buc basketball honors achieved under Brooks' direction are legion and emerge vividly even in summary. In seven seasons at State Coach Brooks has led the Bucs to 151 victories and five Volunteer State Athletic Conference championships. Both regular season and tournament titles are included among the laurels. The Bucs under Brooks have also, on three occasions, participated in the annual National Association of Intercollegiate Athletics Tournament at Kansas City.

A native of Louisiana, Coach Brooks was educated at Louisiana Polytechnic Institute and Louisiana State University. Prior to coming here he tutored Louisiana high school teams and, as a World War II Navy officer, helped coach cage activities at Pensacola Naval Air Station. His gentlemanly demeanor, professional skill and devotion to his duties have won him the respect and admiration of the college community and the area athletic world.

Administration

DR. BURGIN E. DOSSETT
President

For seven years, Burgin E. Dossett has been president of East Tennessee State College. During that time and due to his efforts, State has risen in prominence, the campus has expanded, the enrollment has increased and more scholarships have been made available for the students in need. Several new and remodeled buildings have been added to the campus as a result of an extensive building program which he has promoted during his administration.

The President of E.T.S.C.

The Governor and State Board of Education

•

Governor Frank G. Clement, Tennessee's youngest governor, has been a staunch supporter of education during his administration. The progress that State has made during the past few years is due partly to his efforts and those of the Board of Education.

The Governor appoints the State Commissioner of Education and all members of the Board. The board determines such things as campus policies, budgets, and teacher appointments.

FRANK G. CLEMENT
Governor of Tennessee

STATE BOARD OF EDUCATION

Left to Right, Front Row: W. R. Landrum, Mrs. Ferdinand Powell, Quill E. Cope, Chairman; Mrs. Sam Wilson, Ernest C. Ball, Miss Maude Holman, Executive Secretary. Back Row: Mrs. Violet Parrish, Principal Stenographer; Clarence Kolwyck, Norman Frost, J. Howard Warf, James Williams, Edward L. Jennings.

DR. P. W. ALEXANDER
Academic Dean

"Hello, how are you" has become the trade mark of East Tennessee State's Dean. Dean Alexander, who is in his tenth year as dean, never misses a chance to greet students. His cheery words, pleasing smiles and personal nod of the head often make a freshman forget his homesickness, ease the worry of a coming exam for a sophomore, erase the problem of a junior or make a senior a little more proud that he is a student at East Tennessee State.

Minds That Help

Greeting with a warm smile all who visit her office on the second floor of the Administration Building, Dean Ross characterizes the friendliness of the East Tennessee State administration. Despite her full schedule of business and social activities, Dean Ross welcomes any opportunity to become acquainted with the students, whether it be at Panhellenic functions, dormitory meetings, or a casual visit in her office. In Miss Ross may be found a sympathetic friend to whom students may bring their problems.

Student Personnel Services

East Tennessee State College has adopted the philosophy that Student Personnel Services should be available to all students and attempts to coordinate all phases of student life into such a program. It holds also, that a student advisement should be the responsibility of all members of the college family, including the administrative officers, heads of schools, chairmen of departments, faculty members, and students.

From a limited beginning in 1941, the program has expanded to offer all services necessary for an adequate division of Student Personnel Services. It is the feeling of the college that such a program will assist the student to develop to the greatest possible degree of his capacity.

MISS ELLA V. ROSS
Director

In addition to serving as director Miss Ross is in charge of Education Guidance and Counseling, Student Activities, and the Student Work Program.

MRS. S. G. GILBREATH
Reading Laboratory

Mrs. Gilbreath guides the students in a remedial program of reading. The services are available to all students who desire to improve their rate and quality of reading.

MR. T. M. HOWZE
Public Relations

Mr. Howze, as Director of Public Relations, has charge of college publications, publicity, and school visitations. He also serves as Director of Alumni affairs.

MISS FLORA MARIE MEREDITH
Placement

Miss Meredith is director of Placement Services. This office has as its functions the assembling of confidential credentials for students prior to graduation and assisting students in securing positions.

DR. ALBERT C. LUKER
Research

Problems to the various services are carried on under the supervision of Dr. Luker, Director of Research.

MISS LOUISE MCBEE
Housing and Testing

Miss McBee handles all requests for rooms on or off campus. She supervises the testing program, which includes those tests required of all students and those tests administered upon request.

MR. T. C. CARSON
Student Aid

The Aids and Awards are administered by a special committee under the direction of Mr. Carson, who passes upon all requests for loans.

MR. JERRY BOONE
Speech and Hearing Clinic

The Speech and Hearing Clinic, which is a part of the Health Department, is staffed by Mr. Boone. Services are available to all students as well as people of the area.

MRS. LOUISE CARMACK
Health

The Health Clinic is staffed by a registered nurse, with physicians on call.

MR. EMMETT SAWYER
Religious Activities

The Religious Activities are supervised by the Central Religious Council, composed of representatives from all denominational groups. Mr. Sawyer serves as Director of Religious Activities.

Training in Elementary Education

Trees filled with cardboard posters . . . banners draped across the street . . . grill walls covered with posters . . . airplanes dropping campaign cards . . . all this comprises the "Miss East Tennessee State College" contest. Several organizations, along with fraternities and sororities, entered their candidates in the keen competition. Miss Carolyn Buchanan, of Johnson City, was selected in an all-student election to represent the college as the most typical co-ed.

Carolyn has served as president of Alpha Delta Pi Sorority, Honorary Cadet Lt. Col. in the R.O.T.C. Sponsor Corps, Patchwork Players, Association of Child Education, and the *Collegian* Staff.

Graduate School •

The Graduate Program was inaugurated at State College in June, 1950. Since then, a total of 213 MASTER OF ARTS degrees have been earned. Of these, 135 have presented theses as part of the requirement for the degree. The total number of students who have availed themselves of the opportunity to take advanced work is well over a thousand. The program is administered by a Graduate Council consisting of eighteen faculty members and administrators, including a director who is responsible to the council for the direction of the program. Master of Arts degrees are awarded with majors in five areas, namely, education, biology, chemistry, history, and English, with minors in thirteen different fields. The Graduate School primarily serves students from the East Tennessee and Southwest Virginia regions, although there have been a number in attendance from other states.

The School of Education •

DR. MACK P. DAVIS
Director

Training teachers is the specific task of the School of Education.

Students enrolled in almost every department of the college may receive training for the teaching profession. In the total preparation program, the school strives to magnify the importance of the abundance of essential knowledge, both cultural and academic, in the minds of the students. Another desire is to encourage full study in the prospective teachers' fields of concentration. Both on the undergraduate and graduate levels, the School of Education endeavors to provide appropriate training and directed instructional experiences vital to the backgrounds of future teachers.

An attractive feature of the department is the E. T. S. C. Training School. There, under the well-qualified supervising teachers, students spend twelve weeks observing, guiding, and teaching pupils just as they will find in their own school rooms in the years to come.

East Tennessee State College, through the School of Education and with the cooperation of the other schools, is planning and working seriously to refine the teacher preparation program in the hope that quality of all offerings will be unmistakably excellent.

School of Business Administration and Economics •

The School of Business Administration and Economics was organized to provide its students with an opportunity to acquire a broad knowledge of the internal problems of business organization and control as well as an understanding of how business may be affected by the complex forces in the economic framework within which it operates. For this reason, emphasis is placed on the development of a well-rounded knowledge of business fundamentals and an appreciation of the structure and processes of the American economy.

In addition to the regular program of instruction, numerous conferences, seminars, workshops, and special events were held on the campus throughout the year with the cooperation of national, regional and local professional and civic organizations. In conjunction with these meetings, distinguished educators and leading businessmen from all parts of the nation enriched the educational opportunities available to students, and extended the influence of the School throughout its service area.

The School of Arts and Sciences •

The School of Arts and Sciences has for its aim the thorough training of the individual according to his interests so that he may develop into a well-adjusted, well-informed citizen contributing to the political, social, economic, and intellectual growth of his community.

The major objectives of the School of Arts and Sciences are: (1) to give a well-rounded and liberal education, (2) to provide the necessary academic background for the training of teachers, (3) to provide preprofessional training in Medicine, Dentistry, Pharmacy, Law, Engineering, and many other areas.

Departments included in the School of Arts and Sciences are: Art, Biological Science, English, Foreign Languages, Geography and Geology, History, Mathematics, Music, Physical Science, Political Science, Sociology, and Speech and Drama.

Two degrees are offered in this School. The Bachelor of Arts degree requiring a foreign language is the standard degree. Those who do not wish a foreign language may work toward the Bachelor of Science degree.

MR. WILLIAM M. BEASLEY
Director

Discussing the Greeks

Alpha Delta Pi

A sheaf of fragrant, purple violets . . . an adelphian blue nestled close to a glowing white . . . a sacred trust . . . "No standard too high for Alpha Delta Pi" . . . true sister love . . . Eugenia Tucker Fitzgerald . . . The first secret society for college women . . . clasped hands . . .

All of these spell Alpha Delta Pi—but there are no symbols, thoughts or words that can capture the feeling of pride that the members of Gamma Phi Chapter have for their sorority. It can best be explained through our motto, with greatest sincerity—"We live for each other."

Serving at Women's Faculty Club Dinner

Christmas trees and White Christmas baskets for underprivileged children

Pi Kappa Alpha

Pi Kappa Alpha fraternity was founded March 1, 1868, at the University of Virginia. The local Sigma Phi Alpha fraternity was installed as Epsilon Zeta Chapter May 14, 1955. Pi Kappa Alpha has 128 chapters with approximately 50,000 men, located throughout the nation. Some of the activities of each year are parties for underprivileged children, food baskets for needy families at Christmas, Winter Wonderland Ball, which is one of the outstanding dances of the year for the Student Body, informal dances, picnics in the spring, and the annual Dream Girl Dinner Dance for all the actives and pledges. The fraternity stresses fraternal brotherhood, scholarship, and friendliness. Dr. Lloyd Pierce is the Alumnus Advisor.

"Twenties" Party*

Alpha Omicron Pi

Alpha Omicron Pi was founded on January 2, 1897, at Barnard College, Columbia University, New York.

There are sixty-five Active AOPi Chapters, with a membership of more than seventeen thousand members.

The sorority color is Cardinal; the flower, Jacqueminot rose; and the jewel is the Ruby, which is the apex of the A in the badge.

Phi Alpha Chapter of AOPi at East Tennessee State College was the fourth national sorority to be organized on the campus. Thirty-two charter members of Phi Alpha Chapter were installed on April 16, 1955.

AOPi girls are active in all school activities. AOPi has participated in "All Sing," "Potpourri," Annual Rose Ball, and local, as well as national, philanthropies. An AOPi member was chosen SPE Sweetheart for 1955-56, and an AOPi member was chosen Barn-Warming Queen.

AOPi retired the Panhellenic Cup in 1955, and five AOPi members are Who's Who members. The academic standing of the sorority in 1956 is highest for all sororities on campus.

Miss Margaret Dugger is the Alumna Adviser.

Iota Omicron Zeta of Lambda Chi Alpha

The Iota Omicron Zeta of Lambda Chi Alpha was founded in the Spring of 1955. The local chapter was the Phi Beta Chi Fraternity before its initiation into Lambda Chi Alpha.

Lambda Chi Alpha has annually sponsored the Starlight Dance, one of the highlights in social life on the campus. The unexcelled innovation of the Winter Quarter was Lambda Chi Alpha's first All Sing. Proclaimed by the entire campus as a "new era in the history of the college," this will be an annual event of the fraternity.

Besides sponsoring the Starlight Dance, the All Sing, and many other social events, Lambda Chi Alpha has been active in campus beautification projects, parties for orphans, and different off-campus civic activities.

The faculty sponsor of the Iota Omicron chapter is Dr. Ruben L. Parson.

Alpha Xi Delta

Alpha Xi Delta colonized local Sigma Theta Kappa on October 22, 1955. The girls worked hard as a colony in anticipation of the day the chapter would be installed. They won the Homecoming Wheelbarrow Derby with Phi Sigma Kappa. They placed shiny, new garbage cans on campus as a "Keep State College Clean" project. They cooperated with Alpha Delta Pi in the March of Dimes drive in downtown Johnson City.

The Gamma Theta Chapter of Alpha Xi Delta was installed at ETSC, February 4-5, 1956. Dr. Elizabeth Van Buskirk, National President of Alpha Xi Delta, and other national officers flew to Johnson City for the weekend activities. Area alumnae attended the banquet and tea.

Alpha Xi girls are active in, and many hold offices in practically all campus organizations to which girls may belong. Sorority membership includes six honorary ROTC sponsors, ETSC Band Sponsor, a majorette, three Junior Class officers, Junior Class Beauty, editor of ETSC *Collegian*, Business Manager elect of ETSC *Collegian*, and Phi Sigma Kappa "Moonlight Girl." Two Alpha Xi members appear in this year's edition of "Who's Who in American Colleges and Universities." The scholarship of the group is well above local Pan-Hellenic requirements.

Phi Sigma Kappa became a National Fraternity in 1873 and was founded at Massachusetts Agriculture College in Boston, Massachusetts. The Zeta Tetra Chapter was initiated on December 12, 1954, at East Tennessee State. Some of the main projects of the organization are the annual giving of Christmas baskets to needy families and performing various services for the school and student body. The Chateau De Joie Dance is the main social event given by the fraternity and the winning of the Wheelbarrow Derby is just one of the many achievements which were accomplished throughout the year.

Scabbard and Blade

M Company 11th Regiment National Society of Scabbard and Blade was established on the campus of East Tennessee State College on January 8, 1955. The Scabbard and Blade is a national military honor society with local chapters, called companies, located in 137 leading colleges and universities which have Reserve Officer Training Corps programs.

The purpose of Scabbard and Blade is primarily to raise the standard of military education in American Colleges; to unite in closer relationship their military department; to encourage and foster the essential qualities of good and efficient officers; and to promote friendship and good fellowship among the cadet officers.

Since its formation at East Tennessee State College the Scabbard and Blade has sponsored the annual Military Ball, a Bivouac for the third year cadets, participated in Homecoming, Armed Forces Day, the Burley Bowl Parade, and High School Day. In national Scabbard and Blade competition Company M placed 7th in rifle, 4th in pistol competition.

--------------	--------------------------

The 1955 "Bucs," under skilled hands of Coach Star Wood, turned in a record of 5 wins, 3 losses, 1 tie and a victory in the Burley Bowl.

The State coaching staff consists of Coach "Shorty" Frey, who came to us from T. P. I. this year; Coach Jimmy Demo, who was an outstanding guard at U. T. Other assistants are Pete "the arm" Wilson, who was the little general of the 1954 team; and Hal Morrison, "Little All-American" in 1953.

One of the most outstanding games of the past season was State versus T. P. I., when the Bucs upset the visitors 14-6.

HOMECOMING

State 22—Carson Newman 7

The game itself was a spectacle. Bernard Nolen, a freshman, Harold Poe, a senior, and Jim Krause, a freshman, accounted for the Buccaneers' three touchdowns. Tom Rock kicked the first extra point, Don Whistler, the

second, and Whistler's attempt at the third boot was wide. Stalwarts on defense were Bob Evans, Tom Rock, Bob Merritt, and the King brothers, Bill and Tom.

HAROLD POE

GEORGE BAILEY

BOB EVANS

BOB MERRITT

State 6—Austin Peay 0

East Tennessee State pushed across a first-period touchdown and then held stubborn Austin Peay at bay to win a narrow 6-0 verdict over the Governors. Don Whistler threw a touchdown pass to end Bob Evans on the two and Evans went over for what proved to be the game's only touchdown. Outstanding players in the game were Warren, Whistler, Foster, and Evans.

State 7—Western Carolina 7

Western Carolina scored in the first period on a ten yard run. State's score came when Dickie Warren intercepted a Western Carolina pass and ran 55 yards for paydirt. The incomparable Tom Rock kicked the extra point. The game was then closed in scoring.

State 7—Western Kentucky 20

The "Hilltoppers" of Western Kentucky handed the Bucs of ETSC their first loss of the season. The breaks just seemed to come to the team that was playing on its home ground. This game found the Bucs opposing one of the strongest teams of the season.

State 35—Maryville 18

The Bucs met a rough team during this seasonal battle with the "Scotties." During the game the longest run was turned in by one of Maryville's backfieldmen on a kick-off return of 103 yards. The outstanding players were Dickie Warren, Jim Krause, Don Riley, Tom Rock, Leon Duncan, Bob Evans and Don Rawls.

HOWARD TIPPETT

JIM KRAUSE

RICHARD MAY

State 35—Eastern Carolina 20

At the beginning of the first half Eastern Carolina had a 13-0 lead. Howard Tippet made the first touchdown for the Bucs and Tom Rock kicked the extra point, which made the score 13-7. In the remaining 5 minutes of the second period the Pirates made another touchdown and extra point, making their lead 20-7. On a fourth down and ten to go Don Riley passed to Bob Evans, who made a touchdown, and Rock kicked another extra point, making the score 20-14. In the second half Don Whistler made a touchdown and Rock added the extra point, giving State a 21-20 lead. Evans made the next touchdown, and Rock

added a point, making the score 28-20. Dickie Warren scored State's last touchdown and Rock kicked the point, giving State a 35-20 win over Carolina.

State 14—Tennessee Polytechnic Institute 6

East Tennessee State played one of its best games of the season against Tennessee Tech. Rated a three-touchdown underdog, the Buccaneers came from behind to win the game by a score of 14-6. Dickie Warren scored both of State's touchdowns, and Tom Rock kicked his 13th and 14th consecutive extra points.

State 7—Middle Tennessee 20

The "Blue Raiders" of Middle Tennessee gave the Bucs their second loss of the season with a 20-7 final score. State was opposing one of the strongest teams of the season and was unable to overcome the powerhouse from Middle Tennessee.

State 12—Florence State 13

The State Bucs played one of the finest games of the season, but lost by a one point margin. Outstanding play was shown by both the backfield and the linemen against a strong and hard fighting team.

Burley Bowl

The Buccaneers of ETSC climaxed another successful season of football by defeating Appalachian State by a score of 7-0 in the Burley Bowl. Dickie Warren scored the only touchdown of the game after Harold Poe returned a punt forty yards. Tom Rock kicked his 16th point of the season. State drove deep into the Mountaineers' territory but was unable to score again.

HERB WEAVER

The 1955-56 Buccaneers ended their regular season with a 16-6 record and as champions in both the VSAC and District 27 NAIA. This was an outstanding season for the "Bucs," who during the season met and defeated some of the strongest teams thus far in the history of the school. Among the teams that they went up against besides the VSAC teams which they meet regularly each season were Springhill, Ala.; Springfield, Mass.; Florida State; University of Cincinnati; Mississippi Southern; and the University of Mississippi.

The longest game on record at State was the game between State and Austin Peay College. It went on the record as a game and a half. The reason was that at the end of

the game the score was tied and it continued through four overtime periods. The final score, State 71—Austin Peay 70.

The highest scoring game was with V. M. I. The final score was State 104—V. M. I. 58, for a total of 162 points.

The outstanding "Bucs" were Herb Edmonds, Herb Weaver, Leo Cooper, Jerry Wilhoit, Jim Fleenor, Ferrell Bowman. From the bench there also came some fine work. There were the two 37 foot field goals by Leon Simerly that helped defeat David Lipscomb for the VSAC Championship; outstanding work under the goal by Eddie Fritts; beautiful fieldgoals by Bill Ed Davis; and hard work by both Jerry Wolff and Buddy Hartsell.

Intramural Sports

The intramural program is becoming more popular every year. The students who have not had the opportunity to play on the varsity squads can organize teams that in many cases put forth a performance that surprises even those who have received concentrated training in the particular sport. Interest in the various teams is one that immediately attracts the attention of the casual observer. The reason for this interest is the fact that usually the teams participating represent individual groups on the campus.

The East Tennessee State College R.O.T.C. Rifle Team has compiled an outstanding record in its two years of competition on a national level. Last season, the Buc riflemen won 37 matches while losing only five. In the William Randolph Hearst Trophy matches the Bucs placed 8th and 9th in 1955 and 1956 respectively out of 72 colleges and universities in the Southeast which make up the Third Army area.

For the first time in the history of the College, the ETSC rifle team defeated the University of Tennessee three consecutive times in 1955 and two out of three times this season.

Nationally, the Bucs ranked 52nd last year out of 178 teams. This year the Bucs finished second only to the Citadel in ROTC competition held at Virginia Polytechnic Institute.

Reserve Officers Training Corps

The Branch General Military Science course of study followed by the R.O.T.C. Unit at State consists of two phases; each one is two years in length. The basic course is conducted for freshmen and sophomores. The advanced course for juniors and seniors presents a more thorough and technical study of the fundamentals of Army training. Juniors and seniors who have been selected for their scholastic and leadership ability are enrolled in the advanced program.

In the Fall of 1955 the Cadet Corps was organized into a regiment consisting of two battalions with four companies each, plus Headquarters Company and Band. A

weekly drill period was held each Wednesday, supervised by the cadet regimental commander and the cadet officers. The cadets acquired the rudiments of drill and the cadet officers gained experience in directing men.

A six-weeks period of summer camp at Ft. Benning, Georgia, was attended by cadets between the third and fourth year in the military program. It served as a highly concentrated review of techniques to be mastered in the final year of training. It also served as a source of many humorous stories and experiences which circulated around the campus in the early Fall!
